Founder

- Glenn Sanford had important roles at internet startups before launching a real estate career in 2002.
- In his fourth year in real estate with a major national franchisor, his team closed more than \$60 million in real estate by connecting with consumers online.
- Glenn believed that agents and brokers do the heavy lifting in real estate and deserve the benefits of being a shareholder and income based on their contributions.
- In 2009, Glenn founded the first cloud-based brokerage — eXp Realty.

Revenue Share Plan

eXp's revenue share plan is one way that eXp rewards its agents for attracting new agents to join eXp.

Simply, an eXp agent can “sponsor” a new agent to join eXp. Once the new agent begins closing on transactions, the sponsor receives a percentage of the company revenue from the sales activity of their sponsored agent until their annual commission cap of \$16,000 is reached.

Important note: *eXp pays that share* – not the agent. It is taken from the 20% adjusted gross commission income (AGCI) received by eXp, and is paid to the sponsor agent monthly.

To learn more, visit eXp's eXplore Guide: <https://explore.exprealty.com/>.

Single Agent Revenue Share*

3.5% of the gross commission

Agents at eXp can receive revenue share income from the sales activity of agents they bring into the company.

For each person you bring into eXp you can earn up to \$2,800 depending on the sales production of that person.

This continues to be paid to you as long as you remain an active agent and the agent you have brought into the business stays with eXp and generates sales requirements.

Revenue share is paid from the percentage that eXp receives and doesn't reduce agent commission.

Tier 1
Up to \$2,800

*These figures are not a guarantee, representation or projection of earnings or profits you can or should expect. They also do not include expenses incurred by Agents in operating their businesses. eXp Realty makes no guarantee of financial success. Success with eXp Realty results only from successful sales efforts, which require hard work, diligence, skill, persistence, competence, and leadership. Your success will depend upon how well you exercise these qualities.

Cascading Revenue Share

Earn more for **BOTH** the productive agents you bring into eXp Realty **AS WELL** as for the agents they bring in.

As an example: If you personally sponsor 5 agents to eXp who meet the production requirements, and they in turn sponsor their own productive agents, you can earn up to up to an additional \$3,200 annually for the production of each of those Tier 2 agents, ON TOP of the \$2,800 you earn from the agents that you have brought in.
